**JOHN RICCI  
PRIMARY EXAMINER  
ART UNIT 3712**

Art Unit: 3712

The following is an examiner's statement of reasons for allowance: The prior art does not disclose a bow string release including a handle; a release head assembly including a rope loop, and a first component pivotally mounted to the handle; a sear mounted to the first component, and having an edge and a hook for receiving the rope loop; a second component mounted to the first component, which engages the sear edge to lock or release the sear in response to movement of the handle; and a locking rod in the handle, actuated by a lever, to engage and lock the second component.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
